COMPLAINT

Plaintiff, DENNIS MAURER, an individual, on his behalf and on behalf of all other mobility impaired individuals similarly situated hereby sues the Defendants, TRAA CORPORATION, a New Jersey Profit Corporation and MCDONALD'S CORPORATION, a Delaware Profit Corporation, (hereinafter, collectively, sometimes referred to as "Defendants") for injunctive relief, damages, attorney's fees, litigation expenses, and costs pursuant to the Americans with Disabilities Act, 42 U.S.C. §12181 et seq. ("ADA") and the New Jersey Law Against Discrimination, N.J.S.A. 10:5-12.

COUNT I
VIOLATION OF TITLE III OF THE
AMERICANS WITH DISABILITIES ACT, 42 U.S.C. § 12181, et seq.

1. Plaintiff, DENNIS MAURER, is an individual residing at 8 Prospect Avenue, Egg Harbor Township, New Jersey 08234, in the County of Atlantic.

2. Defendant, TRAA CORPORATION, owns or operates a place of public accommodation located at the subject property alleged by the Plaintiff to be operating in violation of Title III of the ADA.

3. Defendant, MCDONALD'S CORPORATION, holds title to the subject property alleged by the Plaintiff to be operating in violation of Title III of the ADA.

4. Defendants' property, also known as McDonald's Restaurant #17782, is located at 401 New Road, Somers Point, New Jersey 08244, in the County of Atlantic (hereinafter sometimes referred to as "Subject Property" or "McDonald's").

5. Venue is properly located in the District of New Jersey because venue lies in the judicial district of the property situs. The Defendants' property is located in and does business within this judicial district.

6. Pursuant to 28 U.S.C. § 1331 and 28 U.S.C. §1343, this Court has been given original jurisdiction over actions which arise from the Defendants' violations of Title III of the Americans with Disabilities Act, 42 U.S.C. § 12181 et seq. See also 28 U.S.C. § 2201 and § 2202.

7. Plaintiff, DENNIS MAURER, is a New Jersey resident, is sui juris, and qualifies as an individual with disabilities as defined by the ADA. Plaintiff has multiple sclerosis, is mobility impaired and requires the use of a wheelchair to ambulate.

8. Mr. Maurer has visited the property that forms the basis of this lawsuit on numerous occasions, with the last such visit occurring in March 2019. Defendant plans to return to the subject

property in the very near future to avail himself of the goods and services offered to the public at the property. The subject property is located under five (5) miles from the Plaintiff's home.

9. Mr. Maurer has encountered architectural barriers at the subject property. The barriers to access at the property have endangered his safety.

10. Defendant, TRAA CORPORATION, owns, leases, leases to, or operates a place of public accommodation as defined by the ADA and the regulations implementing the ADA, 28 CFR 36.201(a) and 36.104. Defendant is responsible for complying with the obligations of the ADA. The place of public accommodation that the Defendant owns, operates, leases or leases to is known as McDonald's Restaurant #17782, and is located at 401 New Road, Somers Point, New Jersey 08244.

11. Defendant, MCDONALD'S CORPORATION, owns, leases, leases to, or operates a place of public accommodation as defined by the ADA and the regulations implementing the ADA, 28 CFR 36.201(a) and 36.104. Defendant is responsible for complying with the obligations of the ADA. The place of public accommodation that the Defendant owns, operates, leases or leases to is known as McDonald's Restaurant #17782, and is located at 401 New Road, Somers Point, New Jersey 08244.

12. Mr. Maurer has a realistic, credible, existing and continuing threat of discrimination from the Defendants' non-compliance with the ADA with respect to this property as described but not necessarily limited to the allegations in paragraph 15 of this complaint.

13. Plaintiff has reasonable grounds to believe that he will continue to be subjected to discrimination in violation of the ADA by the Defendant. Plaintiff desires to visit McDonald's Restaurant #17782, not only to avail himself of the goods and services available at the property but to assure himself that this property is in full compliance with the ADA so that he and others

similarly situated will have full and equal enjoyment of the property without fear of discrimination.

14. The Defendants have discriminated against the individual Plaintiff and others similarly situated by denying them access to, and full and equal enjoyment of, the goods, services, facilities, privileges, advantages and/or accommodations of the buildings, as prohibited by 42 U.S.C. § 12182 et seq.

15. The Defendants have discriminated, and is continuing to discriminate, against the Plaintiff in violation of the ADA by failing to, inter alia, have accessible facilities by January 26, 1992 (or January 26, 1993, if Defendant has 10 or fewer employees and gross receipts of \$500,000 or less). A preliminary inspection of the Defendants' property, McDonald's Restaurant #17782, has shown that violations of the ADA exist. The following are violations that DENNIS MAURER has personally encountered or observed during his visits to the Subject Property:

Parking and Exterior Accessible Route

a. Accessible parking spaces provided by McDonald's are located on a slope greater than 2.0%, violating Sections 502 and 502.4 of the 2010 Standards for Accessible Design. While unloading from his van Mr. Maurer is impeded by elements within the accessible space.

b. Accessible parking provided by McDonald's leads to an improper curb ramp which contains cross-slopes and lacks a level landing, violating Sections 402 and 405 of the 2010 Standards for Accessible Design. The curb ramp provided endangers Mr. Maurer's safety as it presents a tipping hazard and can cause damage to his wheelchair.

c. Parking provided at McDonald's fails to provide a safe accessible route from the parking area to the entrance, violating Section 502 of the 2010 Standards for Accessible Design. While traveling from the parking area to the restaurant Mr. Maurer is forced to travel through slopes and changes of level to reach the entrance; presenting him with an additional danger of tipping and damaging his wheelchair.

d. The exterior accessible route at McDonald's was found to contain cross slopes, abrupt changes of level and curb ramps with excessive slopes violating Sections 402 and 403.4 of the 2010

Standards for Accessible Design. As previously noted, these conditions present a danger to Mr. Maurer.

e. McDonald's fails to provide an accessible route to the adjacent street, sidewalk or bus stop, violating Section 206.2.1 of the 2010 Standards for Accessible Design. The lack of an accessible route to the sidewalk limits Mr. Maurer's options for transportation.

Access to Goods and Services

f. McDonald's fails to provide a lowered counter for pick-up orders and incorrect policies lead Mr. Maurer to a counter that was beyond his reach, violating Section 904 of the 2010 Standards for Accessible Design. These counters are inaccessible to Mr. Maurer and other wheelchair users.

g. While entering areas at McDonald's, Mr. Maurer is impeded by a lack of maneuvering clearance at the door, violating section 404 of the 2010 Standards for Accessible Design. Due to the presence of this barrier Mr. Maurer cannot enter the restaurant freely and safely without assistance.

Restrooms

h. The restroom at McDonald's provides restroom doors with improper door hardware and lack of clear latch side clearance which impedes Mr. Maurer's use of the facilities, violating Section 404 of the 2010 Standards for Accessible Design. Incorrect policies lead to goods impeding the latch side clearance to exit.

i. McDonald's provides water closets that have impeded grab bars, dispensers and other elements mounted out of reach and improper centerlines, violating Section 604 of the 2010 Standards for Accessible Design. Mr. Maurer is impeded in the restroom due to a lack of accessible elements.

j. McDonald's provides lavatories that fail to provide the proper pipe wrap, violating section 606 of the 2010 Standards for Accessible Design. Mr. Maurer can be scolded by non-insulated pipes while he makes use of lavatories without the proper pipe wrapping.

16. Each of the foregoing violations is also a violation of the 1991 American with

Disabilities Act Accessibility Guidelines (ADAAG) and the 2010 Standards for Accessible Design, as promulgated by the U.S. Department of Justice.

17. The discriminatory violations described in paragraph 15 are not an exhaustive list of the ADA violations that exist at Defendants' property but are the result of a preliminary inspection. Plaintiff requires thorough inspection of the Defendants' place of public accommodation in order to photograph and measure the architectural barriers which exist at the subject property and violate the ADA. The individual Plaintiff, and all other individuals similarly situated, have been denied access to, and have been denied the benefits of services, programs and activities of the Defendants' buildings and its facilities, and have otherwise been discriminated against and damaged by the Defendants because of the Defendants' ADA violations, as set forth above. The individual Plaintiff and all others similarly situated will continue to suffer such discrimination, injury and damage without the immediate relief provided by the ADA as requested herein. In order to remedy this discriminatory situation, the Plaintiff requires an inspection of the Defendants' place of public accommodation in order to determine all of the areas of non-compliance with the ADA.

18. Defendants have discriminated against the Plaintiff by denying them access to full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of its place of public accommodation or commercial facility in violation of 42 U.S.C. § 12181 et seq. and 28 CFR 36.302 et seq. Furthermore, the Defendants continue to discriminate against the Plaintiff and all those similarly situated by failing to make reasonable modifications in policies, practices or procedures, when such modifications are necessary to afford all offered goods, services, facilities, privileges, advantages or accommodations to individuals with disabilities; and by failing to take such efforts that may be necessary to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently than other individuals because of the

absence of auxiliary aids and services.

19. Plaintiff is without adequate remedy at law and is suffering irreparable harm. Considering the balance of hardships between the Plaintiff and the Defendants, a remedy in equity is warranted. Furthermore, the public interest would not be disserved by a permanent injunction.

20. Plaintiff has retained the undersigned counsel and is entitled to recover attorney's fees, costs and litigation expenses from the Defendants pursuant to 42 U.S.C. § 12205 and 28 CFR 36.505.

21. Defendants are required to remove the existing architectural barriers to the physically disabled when such removal is readily achievable for its place of public accommodation that have existed prior to January 26, 1992, 28 CFR 36.304(a); in the alternative, if there has been an alteration to Defendants' place of public accommodation since January 26, 1992, then the Defendants are required to ensure – to the maximum extent feasible – that the altered portions of the facility are readily accessible to and useable by individuals with disabilities, including individuals who use wheelchairs, 28 CFR 36.402; and finally, if the Defendants' facility is one which was designed and constructed for first occupancy subsequent to January 26, 1993, as defined in 28 CFR 36.401, then the Defendants' facility must be readily accessible to and useable by individuals with disabilities as defined by the ADA.

22. Notice to Defendants is not required as a result of the Defendants' failure to cure the violations by January 26, 1992 (or January 26, 1993, if Defendant has 10 or fewer employees and gross receipts of \$500,000 or less). All other conditions precedent have been met by Plaintiff or waived by the Defendant.

23. Pursuant to 42 U.S.C. § 12188, this Court is provided with authority to grant Plaintiff Injunctive Relief, including an order to require the Defendants to alter McDonald's Restaurant

#17782 and make the subject property readily accessible and useable to the Plaintiff and all other persons with disabilities as defined by the ADA; or by closing the subject property until such time as the Defendant cures its violations of the ADA.

WHEREFORE, Plaintiff respectfully requests:

a. The Court issue a Declaratory Judgment that determines that the Defendants at the commencement of the subject lawsuit is in violation of Title III of the Americans with Disabilities Act, 42 U.S.C. § 12181 et seq.

b. Injunctive relief against the Defendants including an order to make all readily achievable alterations to the facility; or to make such facility readily accessible to and usable by individuals with disabilities to the extent required by the ADA; and to require the Defendants to make reasonable modifications in policies, practices or procedures, when such modifications are necessary to afford all offered goods, services, facilities, privileges, advantages or accommodations to individuals with disabilities; and by failing to take such steps that may be necessary to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently than other individuals because of the absence of auxiliary aids and services.

c. An award of attorney's fees, costs and litigation expenses pursuant to 42 U.S.C. § 12205.

d. Such other relief as the Court deems just and proper, and/or is allowable under Title III of the Americans with Disabilities Act.

COUNT II
VIOLATION OF NEW JERSEY LAW AGAINST DISCRIMINATION
(N.J.S.A. 10:5-12)

24. Plaintiff re-alleges and incorporates by reference all allegations set forth in this

Complaint as fully set forth herein.

25. Defendants' facility is a place of public accommodation as defined by N.J.S.A 10:5-5, (New Jersey Law Against Discrimination).

26. New Jersey law provides that all persons shall have the opportunity to obtain all the accommodations, advantages, facilities, and privileges of any public place of accommodation without discrimination on the basis of disability. This opportunity is recognized and declared to be a civil right (N.J.S.A. 10:5-4.)

27. As set forth above, Defendants have violated the New Jersey Law Against Discrimination by denying disabled individuals the full and equal enjoyment of the goods, facilities, services and accommodations available at the subject property, McDonald's Restaurant #17782.

28. As a result of the aforementioned discrimination, Plaintiff DENNIS MAURER has sustained emotional distress, mental anguish, suffering and humiliation, and other injuries, in violation of the New Jersey Law Against Discrimination.

WHEREFORE, Plaintiff, DENNIS MAURER respectfully demands judgment for damages, attorney's fees, litigation expenses, including expert fees and costs pursuant to the New Jersey Law Against Discrimination.

Respectfully submitted,
